LeetCode

Education

Vignan Institute of Management and Technology for Women

2022 – 2026

B.Tech in Artificial Intelligence and Data Science — CGPA: 8.24

Telangana, India

Sri Gayathri Junior College

2020 – 2022

Higher Secondary Certificate (MPC) — 93%

Telangana, India

Zilla Parishad High School

2020

SSC — CGPA: 10

Telangana, India

Technical Skills

- **Programming Languages:** Python, C, JavaScript
- **AI / ML:** Machine Learning, Artificial Intelligence, NLP, BERT, LSTM
- **Web Technologies:** HTML, CSS, JavaScript
- **Databases:** MySQL, MongoDB
- **Tools:** GitHub, VS Code, FastAPI

Projects

Digital Learning Platform for Rural School Students

- Developed a responsive Digital Learning Platform for rural students with interactive educational content.
- Built scalable front-end architecture using React.js and REST APIs.
- Integrated multilingual support, teacher dashboards, and student progress tracking.

Fake News Detection System Using NLP

- Developed a fake news detection model using BERT embeddings and LSTM.
- Improved misinformation classification accuracy using NLP techniques.

Agricultural Management System

- Developed a web platform enabling farmers to sell products directly to customers.
- Reduced dependency on intermediaries using a direct marketplace model.

Internship Experience

Infosys Springboard Virtual Internship

2025

AI & NLP Intern

- Developed “Job Check – Fake Job Post Detection” using Python, NLP, FastAPI, and JavaScript to identify fraudulent job postings.
- Analyzed job descriptions using TF-IDF, semantic analysis, and word embeddings to classify fake job advertisements accurately.

Certifications

- Infosys Pragati – Path to Future (Cohort 3)
- BCG Forage – Data Science
- IBM – Artificial Intelligence
- GUVI – SAWIT AI Learnathon

Achievements

- 1st Place – KYROS 2024 Poster Presentation

Strengths

- Problem Solving
- Team Collaboration
- Quick Learning
- Communication Skills
- Analytical Thinking

Career Objective

Seeking an entry-level Software Developer or AI Engineer role where I can apply my technical skills, contribute to innovative projects, and continue growing as a software professional.
